*If you want the feeling of seclusion and still have neighbors nearby, I don't think you can beat a nicely wooded lot. And, to have that and all the benefits of living just outside Milford city limits, Woods Haven is your best bet. Well, take a look at the home I have for you! This 3-bedroom, 2-bathroom rancher sits on nearly a half-acre (.45 +/-).*

*There's a brick fireplace in the Living Room, the Kitchen and Dining Room are adjacent, and the screened Back Porch is just off the Dining Room. The open Front Porch overlooks one of the nicest front yards in the neighborhood and it's beautifully landscaped. The seller has recently made several improvements throughout the home. All this and it's under \$200,000! Ready to take a look?
