*This neat-as-a-pin double-wide is in Angola Beach and Estates resort park. The sellers had a new roof installed in 2010 and, this year, a new energy-efficient Carrier heat pump. The electric bill averages only about \$90.00 per month! At the back of the home is an enclosed porch with an attached deck that's perfect for entertaining. This home is within walking distance to the pool, park, and play ground. Are you ready to take a look? The website is loaded with over 35 pictures!
