*If you're looking for a little extra room, inside and out, this Cape fills the bill. It has four bedrooms and two-and-a-half baths with the Master Bedroom on the first floor. The kitchen and dining room are at the front of the home and the living room is to the back. Off the living room is the screened porch, the back deck, and the fenced back yard. All this on a .66-acre lot just outside town (lower taxes!). Ready to take a look? Go to [RashTeam.com](http://RashTeam.com) to see nearly 80 pictures of what could be your next home, then call me at 302-632-0183 for your showing.*
